### FROM THE EXECUTIVE DIRECTOR Courtney Warner

Did you know last year we served 44,735 meals to our Congregate diners and delivered 90,552 meals to our Meals on Wheels clients? We had one busy record-setting year!

As we work hard to keep up with demand, the importance of participant donations becomes essential to our success.

Our nutrition programs ask for a suggested donation of \$2.25 per meal to support the gap in grant funding. We receive less than half of grant funding of our actual cost of the meal. Donations from participants have dipped by half the past few months and I call on you to help us out.

**Would you consider donating the suggested amount, or consider what else you could do to support our success?**

We are delighted to serve you and appreciate your support as we prepare for another record year of meals for our seniors!

My best,

*Courtney Warner*

## Plan Your Weekly Meals [www.choosemyplate.gov/budget-weekly-meals](http://www.choosemyplate.gov/budget-weekly-meals)

Before making a grocery list, write down meals you want to make this week. Buying for the week means you'll make fewer shopping trips and buy only the items you need.

Here are some basic tips for creating your menu and grocery list:

- See what you already have. Look in your freezer, cabinets, and refrigerator. Make a note of what you currently have on hand. You can save money by using these items in the upcoming week's meals.
- Use a worksheet to plan your meals. The Create a Grocery Game Plan Worksheet is great for planning your week and figuring out what items you may need to buy.
- Create a list of recipes to try. Find new ideas for healthy and low-cost meals based on what you have on hand, foods your family enjoys, and foods that are good buys.
- Visit What's Cooking? for recipe inspiration. Search recipes by ingredient using What's Cooking? USDA Mixing Bowl -- an interactive tool to help with healthy meal planning, cooking, and grocery shopping. Be sure to include some family favorites along with the new recipes.
- Think about your schedule. Choose meals you can easily prepare when you don't have a lot of time. Save recipes that take longer for days off. You also can prepare meals in advance to heat and serve on your busiest days.
- Plan to use leftovers. Think about larger recipes with enough servings for multiple meals. This can reduce the number of ingredients you need to buy, and save you time preparing another meal.

## Carson City Library: Books and so Much More

On Friday, December 14th, the Carson City Library Director and staff presented on the last TRIAD day of the year. It was such a delight being at the Center and it was such a delight interacting with so many of those in attendance. In case you missed us that day, here's a recap of the presentation:

Have you been to the Carson City Library recently? The library completed its refresh in early 2018 and reopened with newly organized space with great floors on the main level and fresh paint. The library is a 2018 National Medal for Museum and Library Service Finalist awarded by the Institute of Museum and Library Services, and we are honored to be nominated again for 2019 by Congressman Mark Amodei.

The ROI Project (Return on Investment) concluded that the cost of library experiences, services, materials, and spaces equals \$1,656,016.00. The total value equals \$3,570,976.35!

The Carson City Library staff brought an example of a library experience to the Senior Center. Virtual Reality (VR) immerses the user in worlds such as outer space or the Mesozoic era just to name a few for purposes

of education, entertainment, and experience. Three individuals gave the VR equipment a try. Want to try for the first time or have another go? VR is available to library cardholders every Friday from 2:30-5:30 p.m.

Consider the library's other services that include Homebound Book Delivery, In Person Classes, Makerspace, WiFi, Self-Serve Conversion Stations (VHS -> DVD), and more.

You are invited to participate in the library's five-year plan (2019-2024) process. Your input is invaluable. The first of the planning sessions will be Saturday, January 19th. We want your input - join us for Workshop No. 1, Saturday, January 19, 2019 from 9:30am to 4:30pm in the Ormsby Room at Carson City Sheriff's Office (911 Musser Street, Carson City, NV 89701).

Would you like the Carson City Library to come by again for another VR demonstration or have any questions for us? Let us know at [creativelearning@carsoncitylibrary.org](mailto:creativelearning@carsoncitylibrary.org) or call us at 775-283-7594

Visit our website at [carsoncitylibrary.org](http://carsoncitylibrary.org) for our calendar of events, library catalog and much more.

### Spring Session 2019

**Wednesdays**

**February 6 to May 15**

**9:30 to 11 a.m.**

**in the Tahoe Room**

**Sign up with the Senior Center Receptionist**

This informal seminar is designed for senior citizens who wish to write their memoirs. Writers use a first person narrative format in drafting episodes [personal experience stories] arranged in chronological order. Using black ink, they double-space episodes in spiral-bound college-ruled writing journals. The process leaves space for editing, and it makes drafted episodes easy to read.

The working draft audience is limited to seminar writers; the final draft audience is limited to relatives & friends. Charlie McGranaghan, a retired writing instructor, is the seminar guide. He provides materials including black pens and writing journals.
