NATIONWIDE HOME CARE PLANS

### A Brief Description: Home Care Services

When the need for assistance becomes essential, the True Freedom Premier Plans include two options of non-medical home care service to choose from. Members can select to utilize either **AGENCY Hours** provided by a network of licensed and registered Home Care Agencies in the True Freedom Network OR **ANYTIME Hours**, where members have the freedom to choose a friend or neighbor to provide their home care services.

### All True Freedom Premier Plans Feature Assistance With:

- \* Meal Planning/Preparation
- \* Dressing, Bathing, Toileting & Hygiene
- \* Grooming
- \* Laundry, Ironing & Changing Linens
- \* Grocery Shopping
- \* Accompany To Doctors Appointments
- \* Medication Reminders
- \* And Much MORE

True Freedom Premier Plans are Service Contracts, NOT Insurance.

### Built-In Features:

#### Inflation Protection

Because members are contracting for access to "Hours" and not "Days" or "Dollars", the value of plan hours automatically increases over time. As the cost of home care steadily rises through the years, the increased expense is covered at the point in time a member chooses to access their contract hours.

#### True Freedom Discount Reward Program

Members earn a discount of 10% upon the anniversary and renewal of membership for each year that no home care services have been utilized. That savings will continue for up to 4 years. (Example: In the 5th True Freedom membership year and beyond, members will save 40% on the cost of maintaining their contract for as long as no home care service has been required.)

## Meet Rose Stieha

Did you know we have a volunteer that teaches aquacise at the Carson City Aquatic Center? Well, we do! Her name is Rose Stieha and she's been doing this for 30 years!

Rose moved from Massachusetts to Nevada 54 years ago. She worked as a Lab Technician until she married her husband, Ken, in 1954. They decided to get into real estate investing which she continues to do today.

Gardening is another passion of Rose's. "I used to give lots of fruit to the senior center," she says, "I dropped off fruit and handled the coupons for years." Ken used to help her with coupon organizing and she adds, "He used to complain about how messy they'd get. I'd remind him, that's why we have to organize them!"

Rose is best known for her swimming program which is quite comprehensive giving participants a full body work out in 60 minutes.

"We do 20 minutes walking and stretching, then 20 minutes more active movement to raise the heart rate, then finish with 20 minutes stretching and cooling down," explains Rose. "We are very fortunate to have such a nice pool in Carson City."

If you are interested in trying an aquacise class with Rose, they take place Monday, Wednesday, and Friday from 8:00 to 9:00 am at the Carson Aquatic Center. No charge for the class, but you must pay to enter the pool. Give it a try and get to know one of our most dedicated volunteers in the process!
